

# ENVICE Food Waste Processor

The special 1% will change the world.

# E5A-05K

5kg Compact size,  
Smart space utilization

(Small restaurant / Convenience store etc.)

## Product characteristic

Product name	ENVICE Commercial food waste processor (5kg)
Model name	E5A - 05K
Supply type	Commercial
Color	Silver
Product size	(W)380x(D)670x(H)750 mm
Weight / Packing weight	93kg/103kg
Rate voltage	AC 220V/50HZ (Single phase) - Customization by country
Maximum consumption power	1.3kw/h
Processing method/ Processing Time	Dry grinding / About 6 hours
Installation location	Indoor / Outdoor

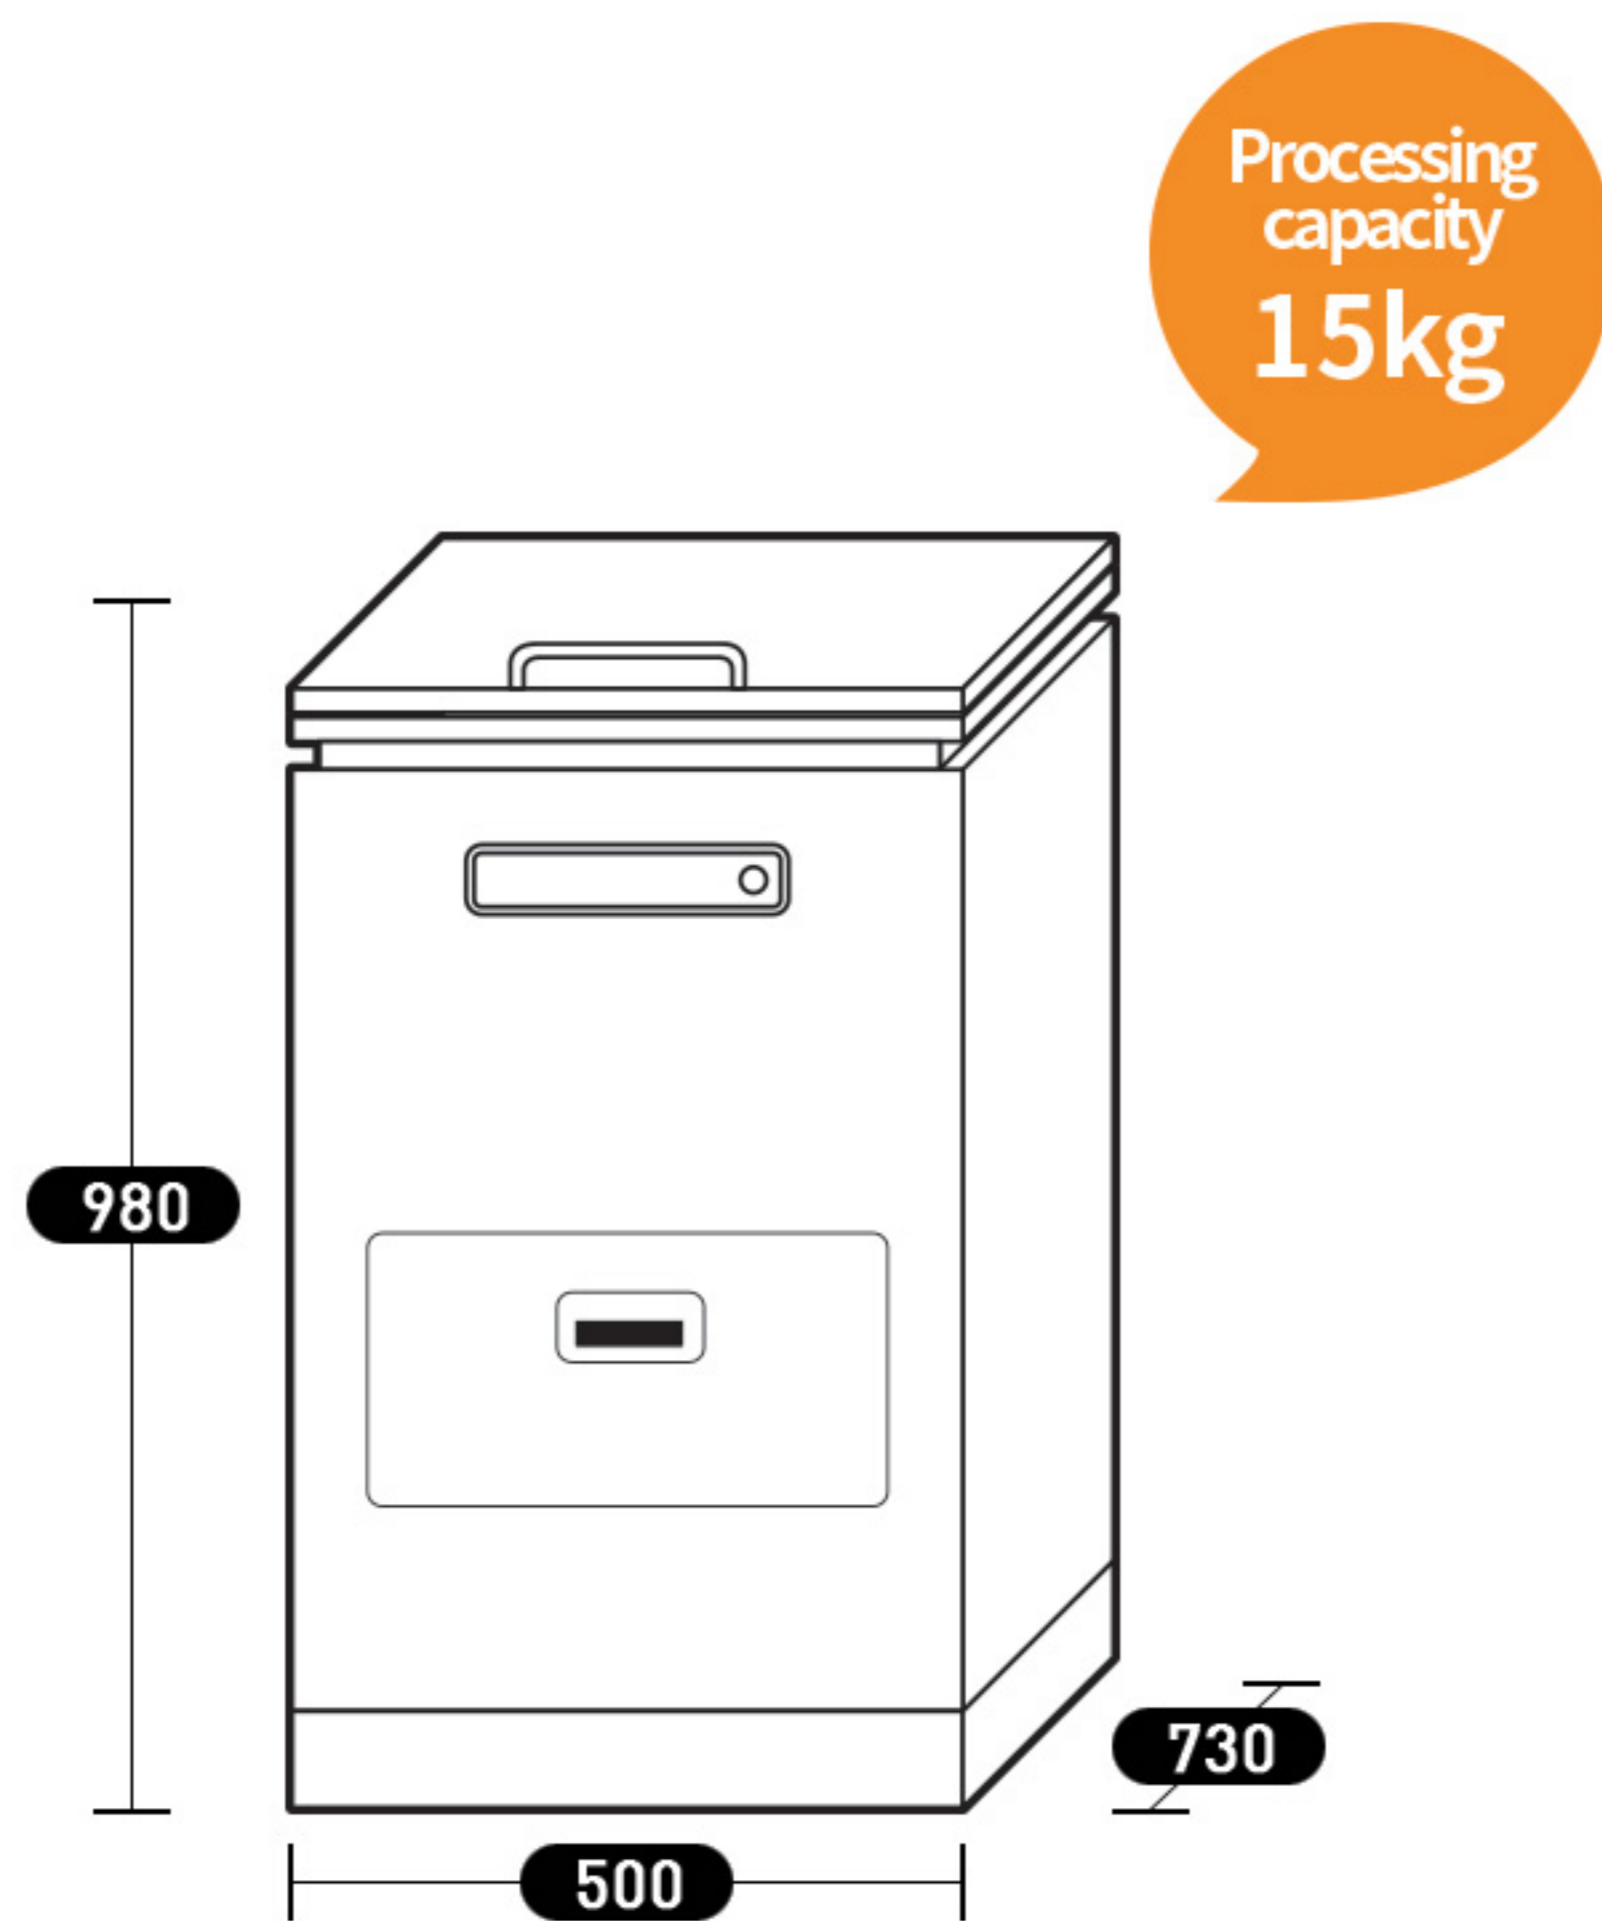

- Environment-friendly**  
 Leakage rate during processing 0%(Only condensate drainage)
- The loss rate**  
 About 85% or less
- Moisture content of residue**  
 About 5% or less
- Processing capacity**  
 Various bones, shellfish, tec
- Driving noise**  
 55dB or less
- Consumption power**  
 1kw of power consumed during 1kg processing
- Safety**  
 Equipped with an overload and over temperature detector with the automatic response sensor
- Hygiene**  
 High-temperature sterilization function (About 130°C)
- Convenience**  
 Collect in sawdust or coffee form
- Deodorization method**  
 Air-cooled condensation filtering

# E5A-15K

15kg Exquisite and powerful grinding capacity,  
Smart handling of consumer mistakes

(Small and medium businesses, Motel, Convenience store)

## Product characteristic

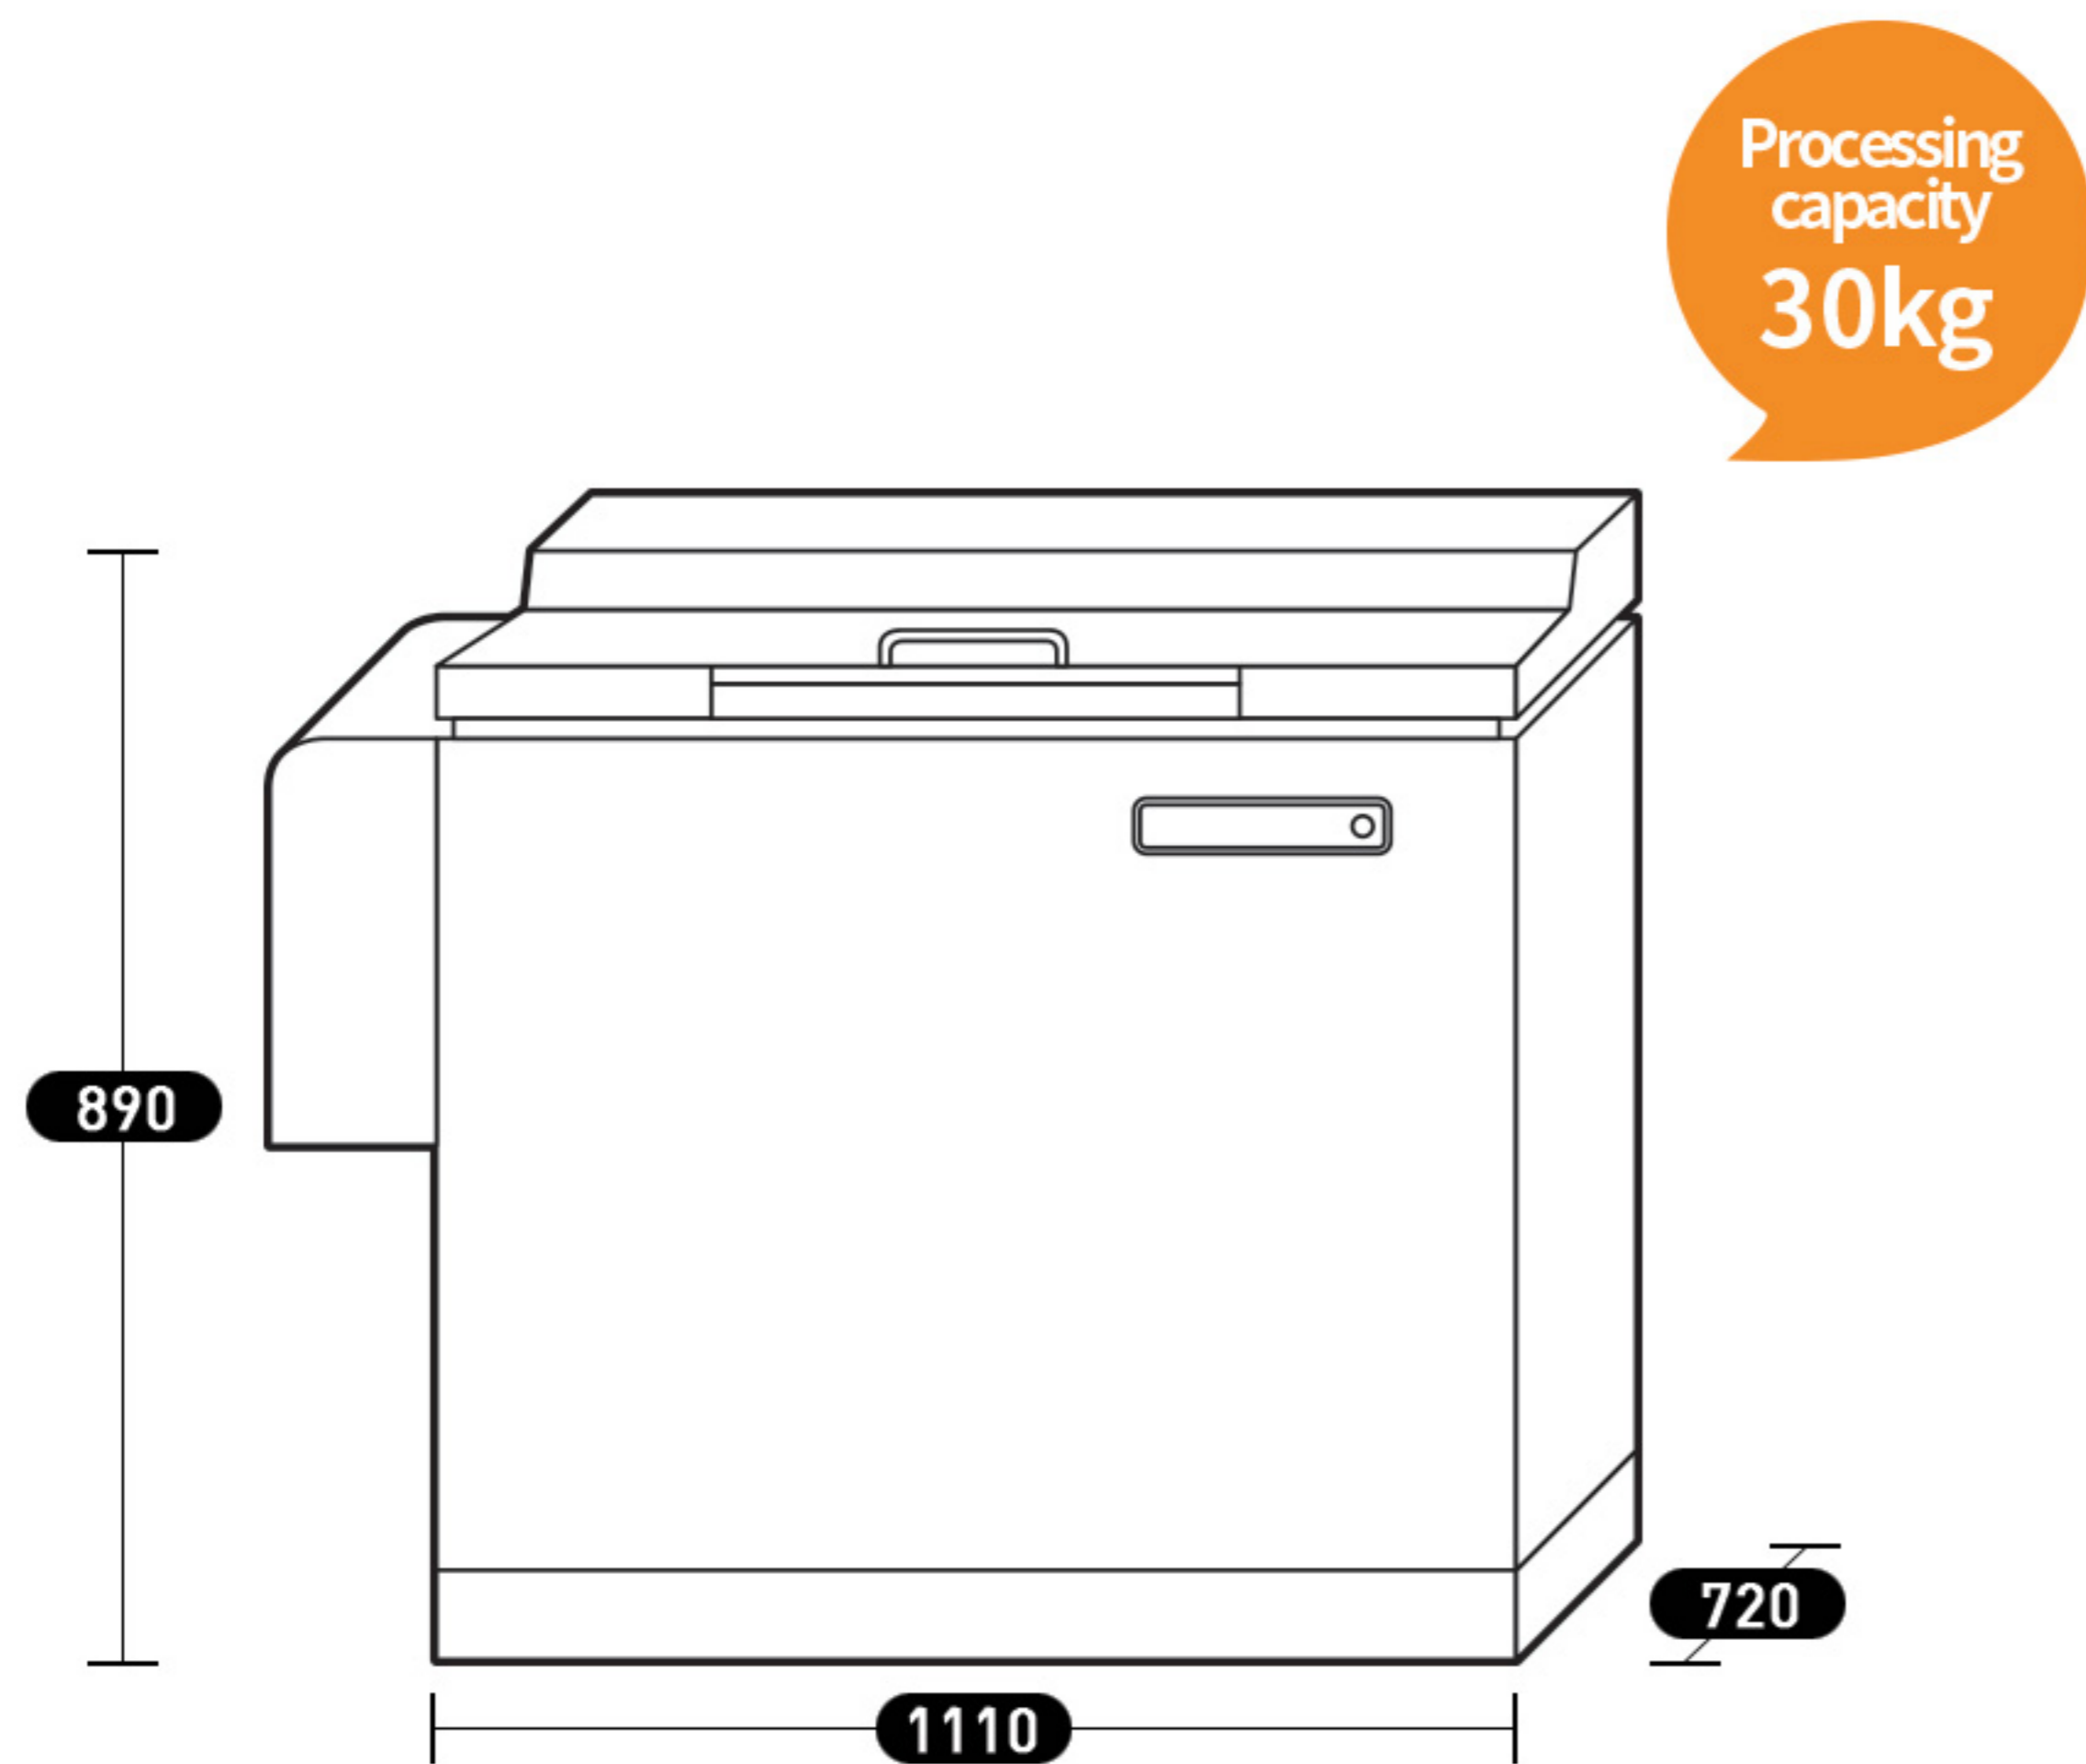

Product name	ENVICE Commercial food waste processor (15kg)
Model name	E5A - 15K
Supply type	Commercial
Color	Silver
Product size	(W)500x(D)730x(H)980 mm
Weight / Packing weight	140kg/150kg
Rate voltage	AC 220V/50HZ (Single phase) - Customization by country
Maximum consumption power	2.2kw/h
Processing method/ Processing Time	Dry grinding / About 8 hours
Installation location	Indoor / Outdoor

# E5A-30K

30kg One touch from start to discharge  
Smart use and processing

(Restaurant, Wholesale mart, Fish farm)

## Product characteristic

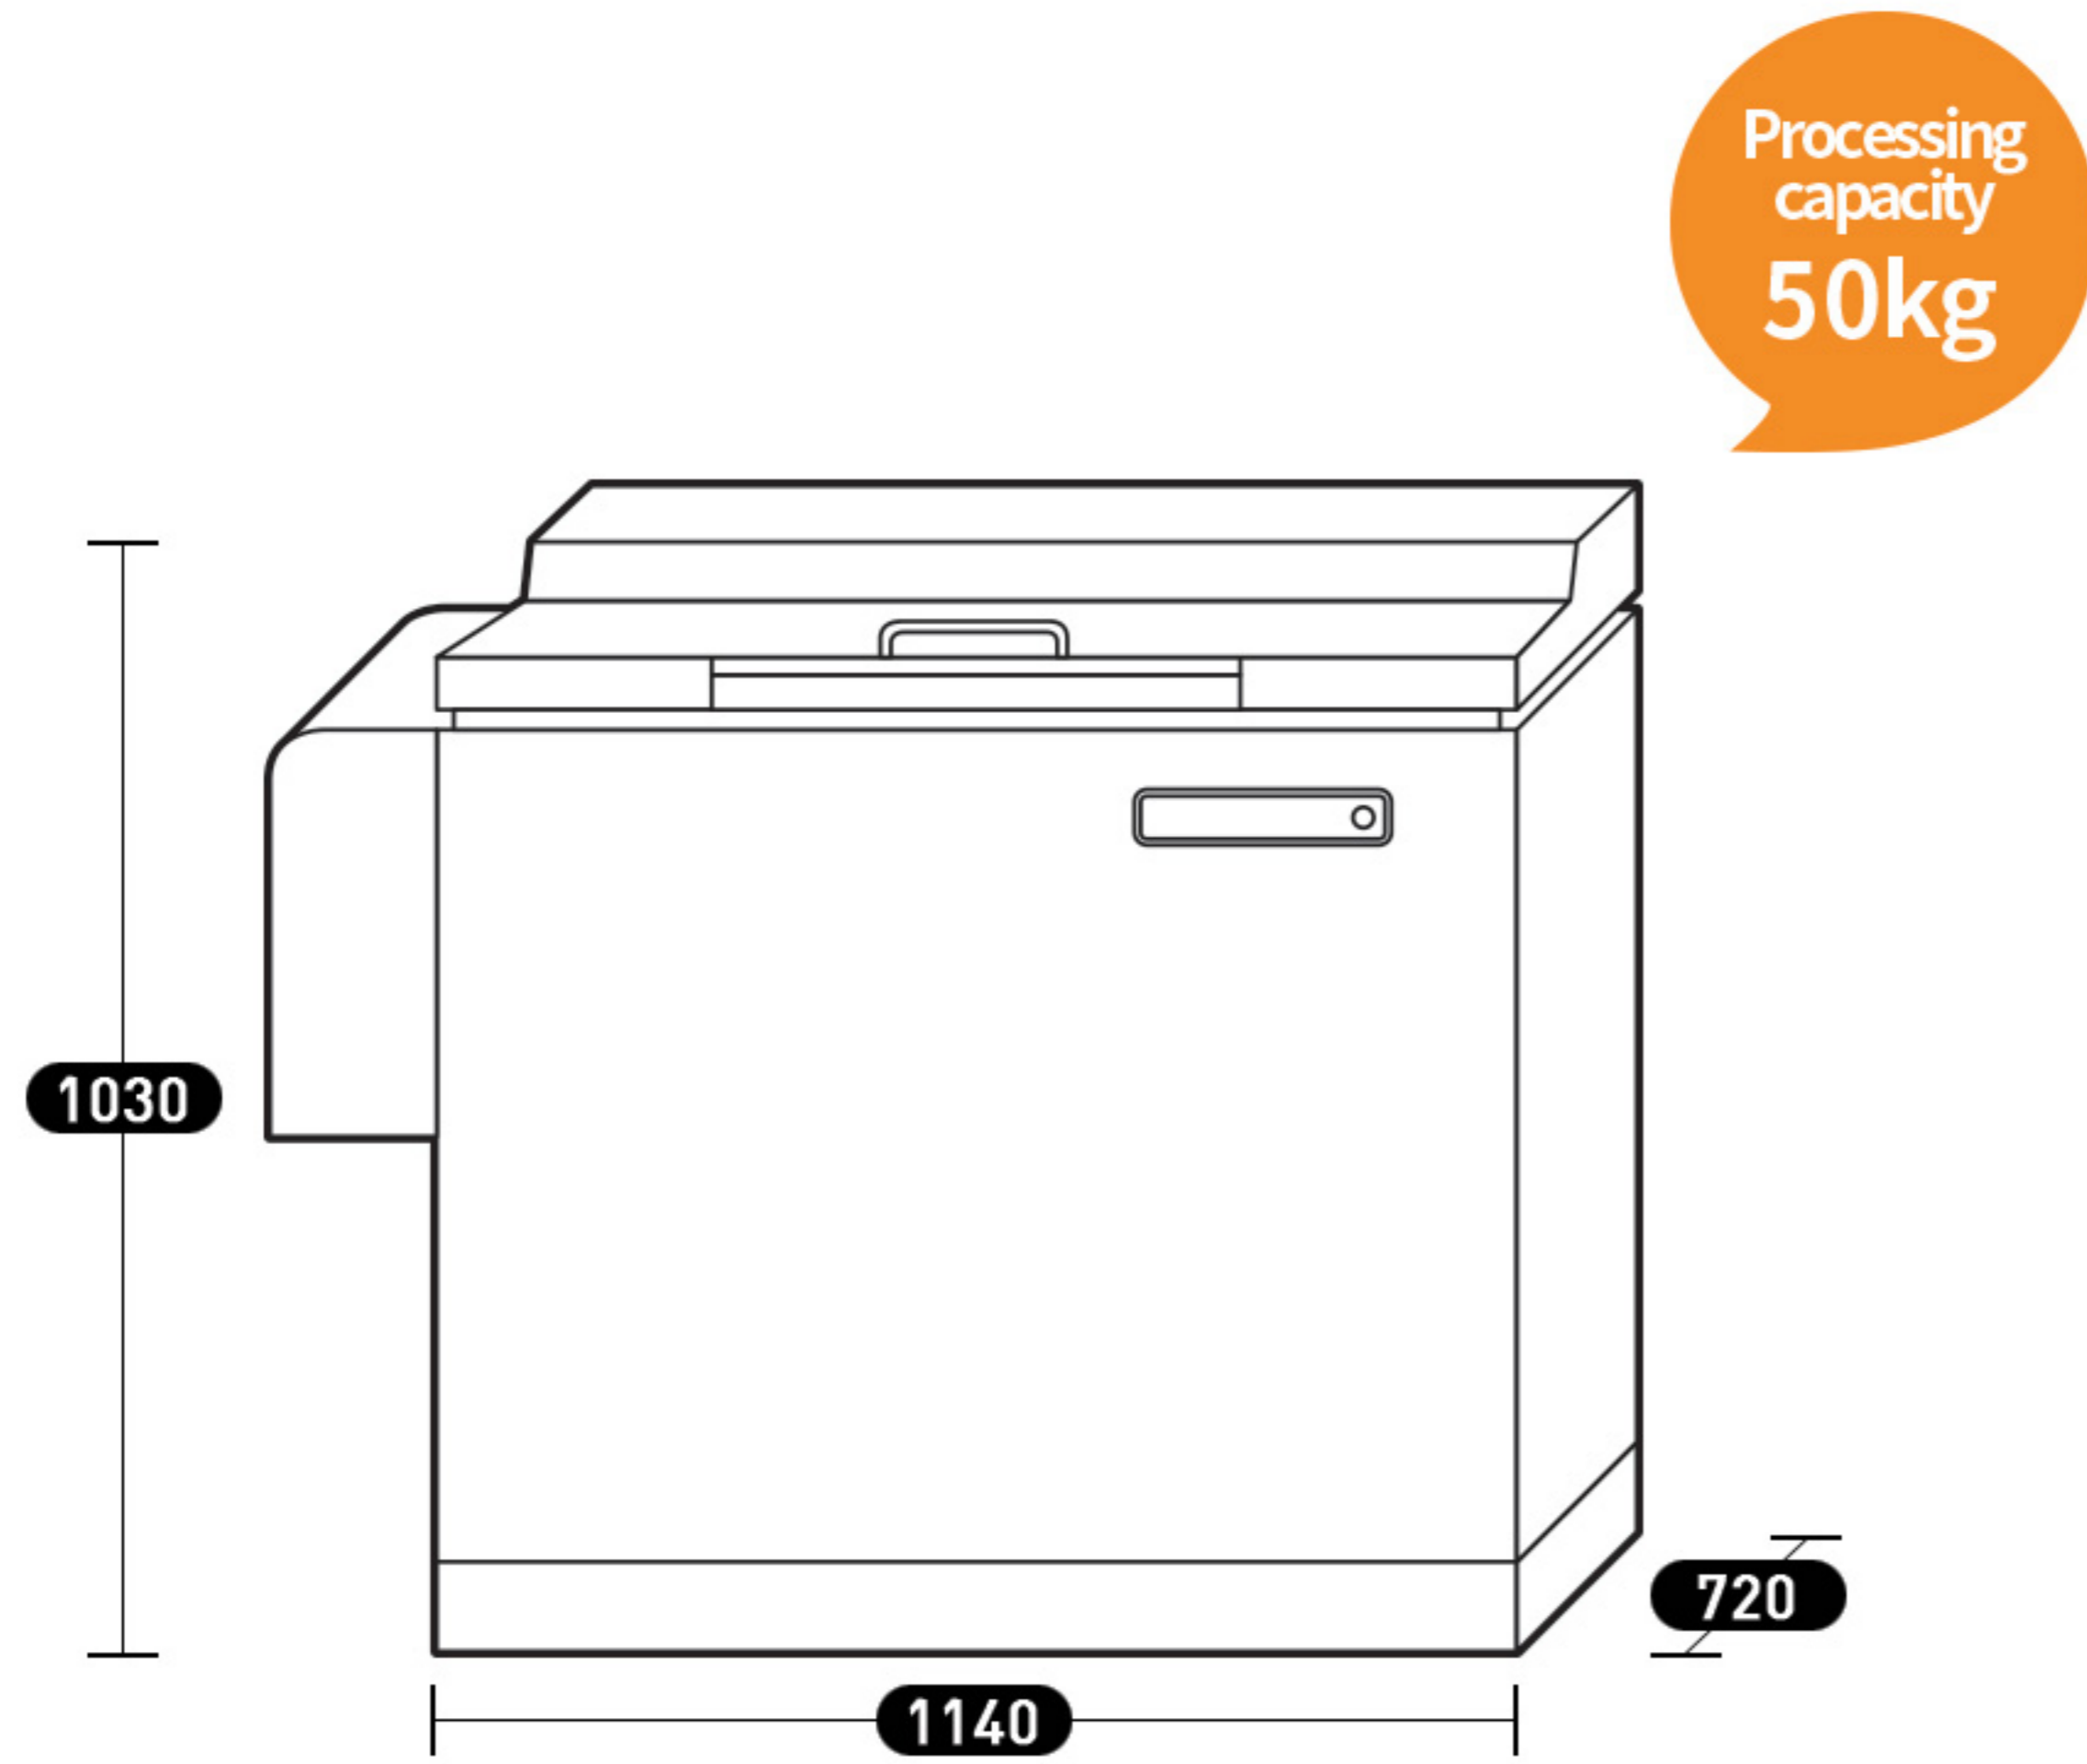

Product name	ENVICE Commercial food waste processor (30kg)
Model name	E5A-30K
Supply type	Commercial
Color	Silver
Product size	(W)1,110x(D)720x(H)890 mm
Weight / Packing weight	256kg/276kg
Rate voltage	AC 220V/50HZ (Single phase) - Customization by country
Maximum consumption power	4kw/h
Processing method/ Processing Time	Dry grinding / About 10 hours
Installation location	Indoor / Outdoor

# E5A-50K

50kg Smart processing time/Treatment/Loss rate/  
Moisture content of residue

(Restaurant, Wholesale mart, Fish farm)

## Product characteristic

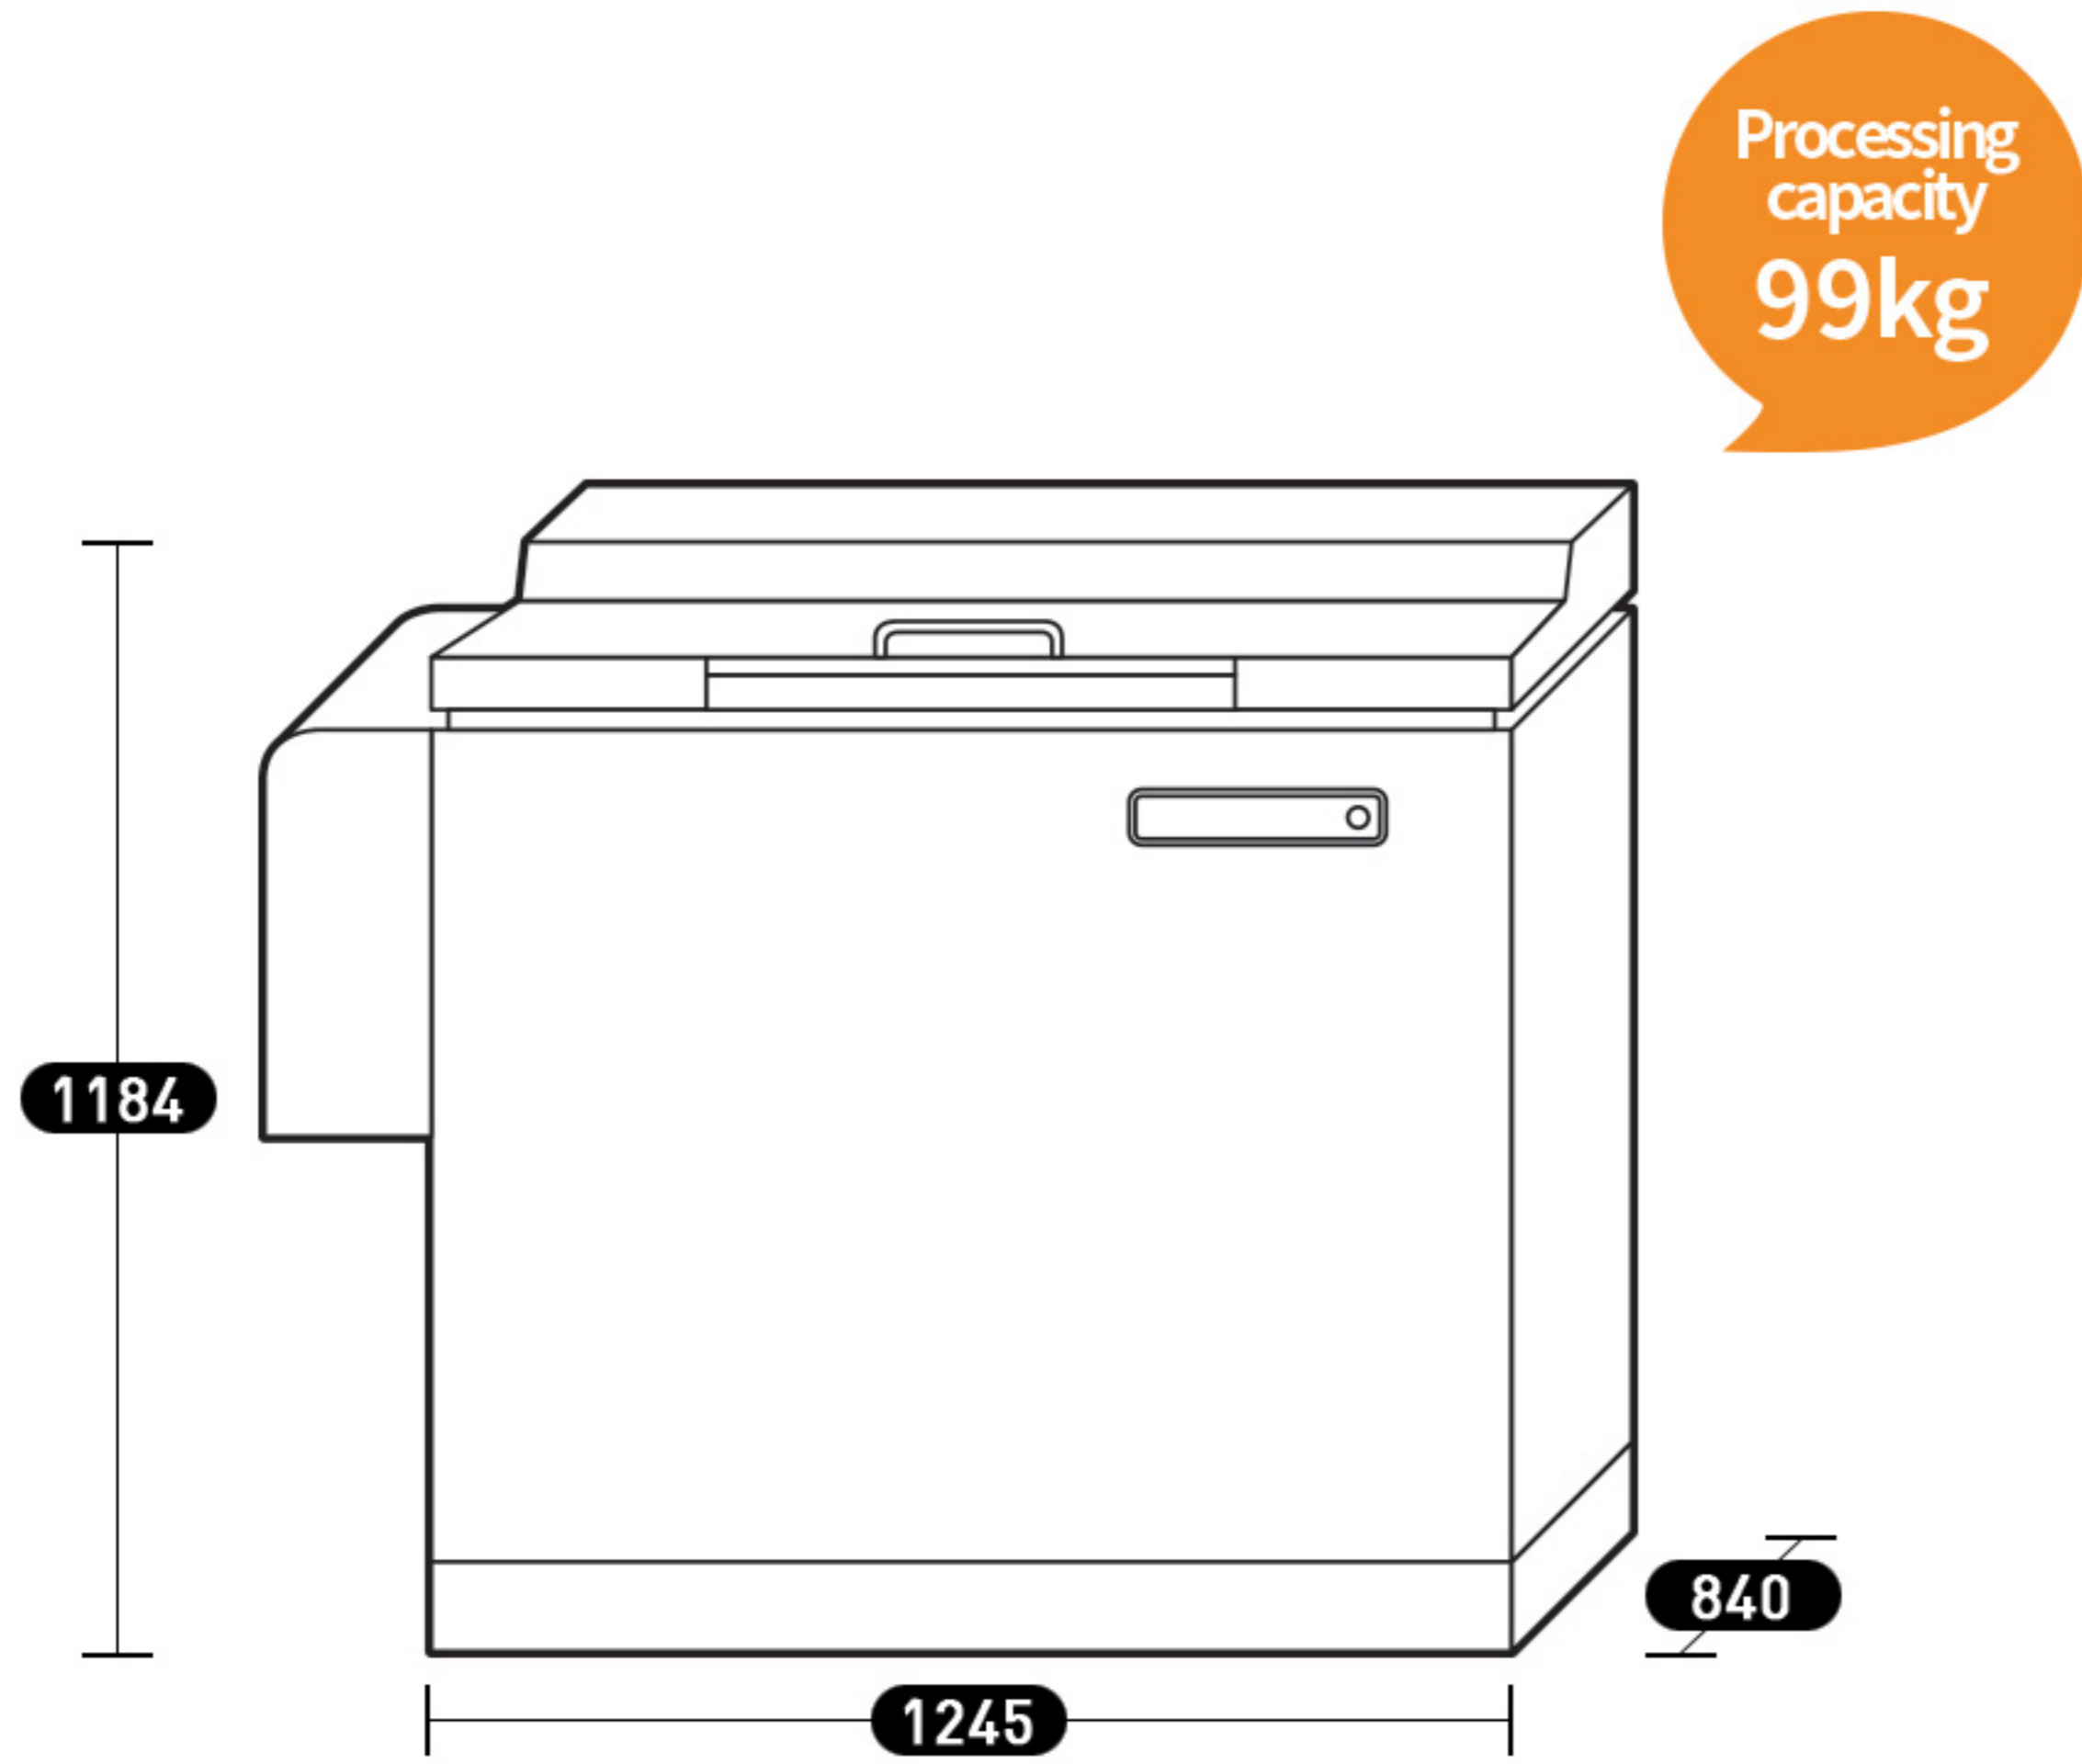

Product name	ENVICE Commercial food waste processor (50kg)
Model name	E5A - 50K
Supply type	Commercial
Color	Silver
Product size	(W)1,140x(D)720x(H)1,030 mm
Weight / Packing weight	291kg/311kg
Rate voltage	AC 220V/50HZ (Single phase) - Customization by country
Maximum consumption power	4kw/h
Processing method/ Processing Time	Dry grinding / About 12 hours
Installation location	Indoor / Outdoor

# E5A-99K

99kg Various products by capacity,  
Convenient use and service

(Large food court, Hotel, Wholesale mart, Fish farm)

## Product characteristic

Product name	ENVICE Commercial food waste processor (99kg)
Model name	E5A - 99K
Supply type	Commercial
Color	Silver
Product size	(W)1,245x(D)840x(H)1,184 mm
Weight / Packing weight	452kg/472kg
Rate voltage	AC 220V/50HZ (Single phase) - Customization by country
Maximum consumption power	7.8kw/h
Processing method/ Processing Time	Dry grinding / About 14 hours
Installation location	Indoor / Outdoor

# Excellence of ENVICE processing system

## Grinding drying system

**Moisture content of residue**  
(About 5% or less)

**The loss rate**  
(About 85%)

**Ability to process**  
(Hard substances such as nuts)

**Processing time**  
(About 6 hours)

<b>B company</b> Extermination system	<b>W company</b> Dry grinding system	<b>L company</b> Hot air drying system	<b>G company</b> Dehydration-cutting drying system
